# WELCOME

From the desk of Purple Pages

*Assalaamul'Alaykum Warahmatullahi  
Wabarakatuhu* Greetings & Peace be upon you

All Praises Truly Belongs to Allah ﷻ, The Provider, Sustainer and Nourisher of His creation. Peace and Salutations be conveyed upon our Beloved Messenger ﷺ, the Perfect Example and Absolute Inspiration.

*Ahlan Wasahlan* welcome to our *Rajab* 1447, January 2026 edition of Habibty Halaqah's Purple Pages eBrochure, an advertising brochure for our Habibty Entrepreneurs, their friends and families showcasing their products and services. We hope that you will find here a selection of whatever you need. *Swipe it, find it, buy it!* 😊

With the commencement of the new year, everyone is back to work and school and worried about their *Rizq* and livelihood. Earning one's *Rizq* (sustenance) dominates our days and in fact our lives. According to statistics the average person will spend 90 000 hours working in his/her lifetime in order to earn. That's a lot of hours. Yet, as Muslims we are enlightened that what we earn, is not necessarily what is our *Rizq*. And what is our *Rizq* is not merely monetary earnings. It encompasses wealth, health, food, resources, love, time and life itself. We believe and understand that our Kind ALLAH is *Ar Razzaqu*, The All Provider. And as such we need to tap into those acts of '*Ibaadah* (worship) that will gain us an increase and attain *Barakah* in our *Rizq*.

There are 7 Acts of '*Ibaadah* that will increase and bring blessings to our sustenance. At the top of this list is *Taqwa*. ALLAH ﷻ conveys in Al Quraan, "*Whoever has Taqwa and trust in ALLAH, ALLAH will make way out for him and provide for him from sources unimaginable.*" (S65 : V2-3)

*Ramadhaan* and fasting is what ALLAH ﷻ has commanded for us, out of His Mercy, and indeed this blessed month assists us to attain *Taqwa*. So what is *Taqwa* with regards to earning? Being conscious of ALLAH in all our *Tijarah* (trade) transactions; endeavouring to make effort only on earnings that are *Halaal*; steering clear of *Haraam* sources of income and wealth, and trusting in the promise of ALLAH, that no matter where we go on this earth, our *Rizq* will find us. These will indeed invoke the blessings of ALLAH.

We ask ALLAH for knowledge that benefits, a good and blessed provision and deeds that will be accepted. *O ALLAH bless us in Rajab and Shabaan and let us reach Ramadhaan*, آمين يا ربل الامين

Thank you for Shopping through Purple Pages.

# Sponsor an Ad and HELP OTHERS Grow Their Businesses

As a member of the community, giving back and helping others is a part of the job. Or should be considered so. While I don't doubt that most of us are limited on hours these days, or even resources perhaps, there are ways all of us can give back easily and efficiently to others. Even if it is simply to spread awareness of the businesses, events or products of others.

Every one of us will at some point in our lives experience some type of setback or hardship. It is therefore, important to explore the importance of helping others from an Islamic context. Helping each other is a way to overcome challenges or grief that we may experience, which in-turn, can be extremely fulfilling and can empower us in our worship and connection to Allah ﷻ.

The Prophet ﷺ said, *"Whoever relieves a believer's distress of the distressful aspects of this world, Allah will rescue him from a difficulty of the difficulties of the Hereafter. Whoever alleviates [the situation of] one in dire straits who cannot repay his debt, Allah will alleviate his lot in both this world and in the Hereafter. Whoever conceals [the faults of] a Muslim, Allah will conceal [his faults] in this life and the Hereafter."* (Muslim)

It is in this light, we at Purple Pages, have come up with a small initiative. We could team up to assist someone else. Is there a family member, friend or just someone you know that may require a boost in their business and you'd like to sponsor their ad? Let us know.

## We will slash 20% off the Space cost and Ad Design cost.

Let's create a snowball effect that expands past a single business venture and trickles into the community. The Journal of Social Psychology found that participants who performed a daily act of kindness reported higher levels of joy than those who did not.

Many Ahaadith by the Prophet of Mercy, Muhammad ﷺ, emphasises the importance of cooperation and assisting others. The generous Prophet of Islam considers Faith to be incomplete, until one loves for his brother or sister what he loves for himself.

## We help you, help others!

-Mohammed Bilal

The greatest human to walk the earth, who has set the standard of compassion and kindness to the creation, was none other than the Prophet Muhammad ﷺ.

## Imam Abu Hanifa and The Drunk Man

It is well known that Imam Abu Hanifa رَحِمَهُ اللهُ performed Tahajjud Salaah every night. He would spend his night reciting the Quraan.

He had a neighbour who was an alcoholic, who would drink excessively and sing love poems. This used to disturb and bother Imam Abu Hanifa.

One day, the Imam did not hear this man's revelry, so he went and asked about him. They said, “So-and-so was arrested and taken to jail.”

Imam Abu Hanifa, who was the most respected Imam and Qaadhi at the time in that place, went to visit his neighbour in jail.

When the ruler found out the Imam went to the jail, he asked for the reason and was told that the Imam was concerned about his neighbour who had been arrested. The ruler then ordered for the man to be released.

Upon release, the neighbour then asked Imam Abu Hanifa why he did that, to which he replied,

“Because you have a right upon me as a neighbour and I have not been neglectful of that.”

Astounded and overwhelmed, the neighbour made Taubah to Allah ﷻ and turned a new leaf.

## INTEREST MONEY

**Q.** What should I do with interest money from the bank? Can I give it to my poor relatives?

I transfer my earnings to a savings account. Every six months the bank adds interest money to my account. I heard that interest money can be donated without the intention of any reward. If this is correct, please advise me as to whom I can donate this interest money to. Can it be given to needy relatives of mine?

## ANSWER

In the Name of Allah, the Most Gracious, Most Merciful.

**A.** As a general rule, no Muslim by his free choice should deposit his money in an interest-bearing account. You must immediately transfer your money to a non interest-bearing account.

It is incumbent upon you to give the interest money from the bank as charity to the poor who are entitled to receive Zakaat (i.e. who do not have the nisaab of Zakaat) without the intention of receiving reward. This charity is meant only for disposing of an unclean and unlawful money and to relieve oneself from the burden of an ill-gotten gain.

But it should be remembered that this amount is unclean only for the person who has received it as interest. The poor persons who get it from him as charity can use this amount for their personal benefits.

You may give the interest money to your relatives who are entitled to receive Zakaat.

And Allah ﷻ Knows Best.

## ISRAF: EXTRAVAGANCE & WASTEFULNESS IN PERSPECTIVE – PART 1

In our previous issue, we mentioned that Israf is one of the most overlooked yet dangerous spiritual diseases and can be described as: the tendency to live in excess, to be extravagant, to waste resources, and cross the limits set by Allah ﷻ. Israf not only applies to wastefulness in terms of money, which is the common perception, but Israf also applies to wasting food, clothing, time, water, and even how we use our emotions.

Scholars differ on whether Israf is a major sin (kabira) or a minor sin that becomes major when habitual. Ibn Abbas رضى الله عنه and other Sahabah considered Israf a grave matter because:

- It shows ingratitude toward Allah's blessings.
- It leads to arrogance and pride.
- It deprives the poor of their share.

Imam Qurtubi explains that if Israf leads to negligence of obligatory duties (Zakat or family responsibilities), it becomes a major sin. So while not every act of extravagance equals a major sin, consistent wastefulness is spiritually destructive.

Allah ﷻ addresses Israf in the Quraan directly in several verses, showing that wastefulness is not just a bad habit but a spiritual disease that weakens gratitude and discipline:

*"O children of Adam, take your adornment at every Masjid, and eat and drink, but waste not by extravagance. Indeed, He (Allah) does not like the wasteful."* (Quraan 7:31)

Here Allah ﷻ draws a fine line: enjoy His blessings; wear clean clothes, eat nourishing food, and live well, but do not let blessings turn into excess. Scholars of tafsir explain that Israf in this verse refers not only to eating more than needed, but also to eating in a way that leads to pride, arrogance, or neglect of the poor.

During the holidays, and throughout the year, let us open our hearts to those in need, share our food with others less fortunate, and spend in charity for Allah's sake. Join us again in next month's issue as we carry this reflection forward.

May Allah ﷻ, the All Knowing, alleviate the suffering of the oppressed, sick, poor and weak in *Shaam, Sudan* and every land. May Allah ﷻ bless you and yours **أَمِينَ يَا رَبُّ الْعَالَمِينَ**
