WELCOME

From the desk of Purple Pages

*Assalaamul'Alaykum Warahmatullahi
Wabarakatuhu* Greetings & Peace be upon you

All Praises Truly Belongs to Allah ﷻ, The Provider, Sustainer and Nourisher of His creation. Peace and Salutations be conveyed upon our Beloved Messenger ﷺ, the Perfect Example and Absolute Inspiration.

Ahlan Wasahlan welcome to our *Shabaan* 1447, Jan-Feb 2026 edition of Habibty Halaqah's Purple Pages eBrochure, an advertising brochure for our Habibty Entrepreneurs, their friends and families showcasing their products and services. We hope that you will find here a selection of whatever you need. *Swipe it, find it, buy it!* 😊

In some previous editions of the Purple Pages we had discussed earning *rizq* and the effects of charity and *sadaqah* upon one's *rizq* and lives. There are **Seven Acts of 'Ibaadah** that will increase and bring blessings to our sustenance. In the previous editions we had discussed *Taqwa* - ALLAH consciousness, *Tawakul* - trusting in ALLAH, and *Sadaqah* - charity. In this beautiful month of *Shabaan*, as we prepare for *Ramadhan* we will share regarding:

"Who is it that would loan ALLAH a goodly loan so He may multiply it for him many times over?" (Surah Al-Baqarah 2:245)

We shouldn't give charity just to experience an increase in *rizq*. We should give charity with multiple intentions: firstly to please ALLAH, to assist the poor and help others improve their lives. Nonetheless, the returns on giving charity are multiplied ten times over or more, depending on the sincerity of the intention and the quality of the charity. Generosity is a common factor you will find among all righteous Muslims who experience high levels of *rizq*. It is the multiplier. If someone has *Taqwa* and *Tawakul*, and also gives a lot of charity, then they can expect their *rizq* to multiply beyond their imagination. With the generous month of *Ramadhan* dawning upon us soon, let us endeavour to sincerely fulfil this *'ibaadah*.

With the current condition of the Muslim *Ummah*, especially in Gaza Palestine, our *sadaqah* and stepping up in the service of humanity is very much the need of the hour. To find out how you can contribute, see the Islamic Relief, Africa Muslim Agency & Salaam Foundations current campaign poster under the NGO section. O ALLAH bless us in *Shabaan* and let us reach *Ramadhan*,

أمين يا رب العالمين. Thank you for Shopping through Purple Pages.

EVERY AD IS INTERACTIVE!

Sponsor an Ad and HELP OTHERS Grow Their Businesses

As members of the community, giving back and helping others should be seen as part of our responsibility. While many of us are limited in time or resources, there are still simple and efficient ways to contribute. Even something as small as spreading awareness of another's business, event, or product can make a meaningful difference.

Every one of us will, at some point, face setbacks or hardships. From an Islamic perspective, helping others is not only a way to ease their burdens but also a means of strengthening our own worship and connection to Allah ﷻ. The greatest human to walk the earth, the Prophet Muhammad ﷺ, set the standard of compassion and kindness toward all creation. He ﷺ said:

“The most beloved of people to Allah are those who are most beneficial to people. The most beloved of deeds to Allah are to bring happiness to a Muslim, to relieve him of distress, to pay off his debt, or to feed him when he is hungry.” (al-Mu'jam al-Awsat)

It is in this spirit that we at *Purple Pages* have launched a small initiative. Imagine teaming up to assist someone else:

Perhaps a family member, friend, or an acquaintance who could use a boost in their business. Sponsor their ad now, and..

We will slash 20% off the Space cost and Ad Design cost.

Instead of thinking of kindness as a one-off gesture, imagine it as a ripple that strengthens the entire community. A recent study from Brigham Young University found that *even one act of kindness per week* significantly reduced loneliness, social isolation, and anxiety, while also improving neighbourhood relationships. Remarkably, the greatest benefit was felt not only by those receiving help, but by those offering it—showing that generosity uplifts both sides of the exchange.

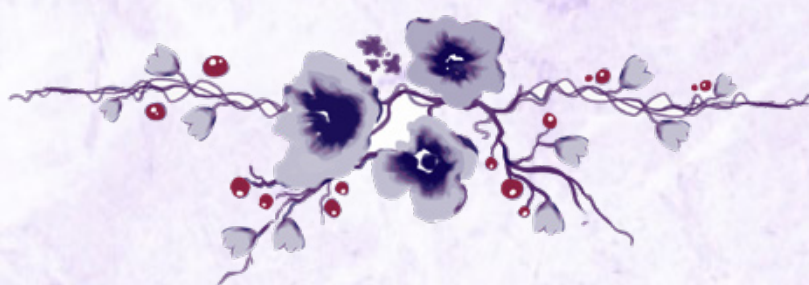

The Prophet of Mercy ﷺ taught us that true strength lies in supporting one another. He ﷺ said:

“Allah helps His servant as long as he helps his brother.” (Sahih Muslim)

This timeless reminder shows that when we extend our hand to others, we invite Allah's Help into our own lives, creating bonds of compassion that uplift the entire community.

We help you, help others!

The Power of Speaking the Truth

Telling the truth is a noble habit. It protects us from harm and guides us toward goodness.

Here is a story of a man whose promise to speak the truth transformed his life.

One day, a man came to the Prophet Muhammad ﷺ and said, *“O Prophet of Allah, I have many bad habits. Which one should I give up first?”*

The Prophet ﷺ replied, *“Give up lying, and always speak the truth.”* The man promised to do so and returned home.

That night, he was about to go out to steal. But he paused: *“If tomorrow the Prophet asks me where I was, what will I say? I cannot lie, and if I tell the truth, I will be disgraced and punished.”*

So he abandoned his plan and gave up stealing.

The next day, he felt tempted to drink wine. Again he thought: *“If the Prophet asks me what I did, I cannot lie. And if I tell the truth, people will despise me, for drinking is forbidden.”*

So he gave up the idea.

In this way, each time he was tempted, he remembered his promise to speak the truth. One by one, his bad habits fell away, until he became a good Muslim and a respected man.

Truthfulness is the key to virtue. By holding fast to it, we earn the pleasure of Allah, and His reward is Jannah — a place of eternal joy and peace.

Q&A

LIFE INSURANCE POLICY

Q. My father took a life insurance policy in my name and paid premium from his pocket. At that time, I was away from Islam and consented to it. Now, I want to cancel this policy but my father is in disagreement. He told me to wait for one year till the policy matures and he could transfer the benefits earned to my brother. I can pay my father for the premium he has paid so far. He is quite angry with me and refusing any recompense from my side but I can do it through indirect means through gifts.

Should I cancel the policy and recompense my father for the premium he has paid and also the interest promised by the insurance company?

ANSWER

In the Name of Allah, the Most Gracious, Most Merciful.

A. Respected Brother in Islam, we take note of your question with regards

to the life insurance policy which is clearly haraam. We understand that the premiums were paid by your father. He fears he will lose out on the premiums should you cancel the policy immediately.

In view of present circumstances, you may wait for the policy to mature. When the company makes a payment, you must advise your father that only the premiums are halaal. The excess money is haraam and should be disposed of as charity to the poor and needy.

If your brother is eligible for sadaqah, then the excess money may be given to him without the intention of gaining reward.

We also advise you to make istighfaar for your involvement in the life insurance policy.

And Allah ﷻ Knows Best.

SHABAAN – TIME TO RENEW COMMITMENT TO SALAAH

We've discussed previously, the link between our *Rizq* (sustenance) and *Salaah* (Prayer). *Salaah* is often regarded, perhaps subconsciously, as difficult or an inconvenience... may Almighty Allah guide us! Actually, *Salaah* is a gift, a powerful formula, from Allah **الْأَحَدُ** - the One (and only Lord) who is the Most-Wise and the only Provider. Moreover, contrary to our perception, *Salaah* is not an option, which can be performed when we want or if we want. *Salaah* has been made *Fardh* (compulsory, mandatory) by our Creator Allah.

When the family of the Messenger ﷺ were hard pressed in any way, he would encourage them to perform *Salaah* and would recite the following verse of the Quran:

وَأْمُرْ أَهْلَكَ بِالصَّلَاةِ وَاصْطَبِرْ عَلَيْهَا لَا نَسْأَلُكَ رِزْقًا نَحْنُ نَرْزُقُكَ وَالْعَاقِبَةُ لِلتَّقْوَى

“Enjoin Prayer on your household and do keep observing it. We do not ask you for any worldly Provision; rather, it is We Who provide you, and ultimately the pious will end up the best.” (V20 : S132)

There is no better time to renew our intention and determination to “establish” *Salaah* than now in *Shabaan*. Then, when entering *Ramadh*aan, it will be easier due to the spiritual atmosphere. Post *Ramadh*aan, *Salaah* will then be second nature to us and an integral part of our lives **إِنشَاءَ اللَّهِ**. We conclude with the *Dua* of Ebrahim **عَلَيْهِ السَّلَامُ**, noting the use of words... “establish *Salaah*” rather than perform *Salaah*:

رَبِّ اجْعَلْنِي مُقِيمَ الصَّلَاةِ وَمِنْ ذُرِّيَّتِي ۖ رَبَّنَا وَتَقَبَّلْ دُعَاءِ

“My Lord! Enable me and my offspring to establish Prayer, and do accept, our Lord, this prayer of mine.”

May Almighty Allah make the offering of *Salaah* easy for us and accept us to be among the fortunate ones who recognises its importance.

May Allah **عَزَّ وَجَلَّ**, the All Knowing, alleviate the suffering of the oppressed, sick, poor and weak in *Shaam*, *Sudan* and every land. May Allah **عَزَّ وَجَلَّ** bless you and yours **أَمِينَ يَا رَبُّ الْعَالَمِينَ**
