WELCOME

From the desk of Purple Pages

*Assalaamul'Alaykum Warahmatullahi
Wabarakatuhu* Greetings & Peace be upon you

All Praises Truly Belongs to Allah ﷻ, The Provider, Sustainer and Nourisher of His creation. Peace and Salutations be conveyed upon our Beloved Messenger ﷺ, the Perfect Example and Absolute Inspiration.

Ahlan Wasahlan welcome to our *Thul Qa'ada* 1447, April-May 2026 edition of Habibty Halaqah's Purple Pages eBrochure, an advertising brochure for our Habibty Entrepreneurs, their friends and families showcasing their products and services. We hope that you will find here a selection of whatever you need. *Swipe it, find it, buy it!* 😊

With the continuous increase in the cost of living, many of us feel despondent. However, this can be regarded as a test of our faith, for as believers we need to negate everything and everyone else being our provider. It is only ALLAH, *Ar Razzaqu* - our Provider. As ALLAH ﷻ provides and has provided for every creation of His throughout every era, place and space, we need to bring two important qualities into the very essence of who we are:

Firstly, **Taqwa** - ALLAH-Consciousness and Mindfulness, Piety.

ALLAH ﷻ says in *Al Quraanul Kareem*, "And whosoever fears ALLAH, He will make a way out for him (from every difficulty) and He will provide for him from (sources) unimaginable." (Surah Talaq)

Secondly, **Tawakkul** - Trust and reliance upon ALLAH alone.

Umar رضي الله عنه narrated that he heard the Prophet ﷺ say, "If you trust in ALLAH as He should be trusted, He would surely provide for you as He provides for the birds. They set out in the morning with empty stomachs and return in the evening with full stomachs." (Musnad Ahmed)

May Our Kind ALLAH grant us conviction in the belief that He is truly The Provider and may He bless our advertisers, shoppers and all of us in our sustenance, wealth, health, *deen, dunya* and *Aakhirah Aameen*.

We ask ALLAH ﷻ for knowledge that benefits, a good and blessed provision and deeds that will be accepted. We continue to pray and make *dua*, create awareness and boycott for our oppressed *ummah* in Gaza, Palestine, Sudan, Yemen, India and throughout the world. آمين يا رب العالمين. Thank you for Shopping through Purple Pages.

Sponsor an Ad and HELP OTHERS Grow Their Businesses

As members of the community, giving back and helping others should be seen as part of our responsibility. While many of us are limited in time or resources, there are still simple and efficient ways to contribute. Even something as small as spreading awareness of another's business, event, or product can make a meaningful difference.

Every one of us will, at some point, face setbacks or hardships. From an Islamic perspective, helping others is not only a way to ease their burdens but also a means of strengthening our own worship and connection to Allah ﷻ. The greatest human to walk the earth, the Prophet Muhammad ﷺ, set the standard of compassion and kindness toward all creation. He ﷺ said:

“The most beloved of people to Allah are those who are most beneficial to people. The most beloved of deeds to Allah are to bring happiness to a Muslim, to relieve him of distress, to pay off his debt, or to feed him when he is hungry.” (al-Mu'jam al-Awsat)

It is in this spirit that we at *Purple Pages* have launched a small initiative. Imagine teaming up to assist someone else:

Perhaps a family member, friend, or an acquaintance who could use a boost in their business. Sponsor their ad now, and..

We will slash 20% off the Space cost and Ad Design cost.

Instead of thinking of kindness as a one-off gesture, imagine it as a ripple that strengthens the entire community. A recent study from Brigham Young University found that *even one act of kindness per week* significantly reduced loneliness, social isolation, and anxiety, while also improving neighbourhood relationships. Remarkably, the greatest benefit was felt not only by those receiving help, but by those offering it—showing that generosity uplifts both sides of the exchange.

The Prophet of Mercy ﷺ taught us that true strength lies in supporting one another. He ﷺ said:

“Allah helps His servant as long as he helps his brother.” (Sahih Muslim)

This timeless reminder shows that when we extend our hand to others, we invite Allah's Help into our own lives, creating bonds of compassion that uplift the entire community.

We help you, help others!

Sand and Stone

Two friends Ismail and Ibrahim were walking through the desert, as the sun was beating down on their heads, and were thirsty for water, they began to argue. The argument got more and more heated and eventually Ismail struck Ibrahim across the face. Ibrahim felt hurt inside, but without anything to say, he wrote in the sand:

“Today, my best friend slapped me in the face.”

They kept on walking, until eventually they came across an oasis, where they decided to stop and bathe. Ibrahim jumped in and began to wash, while Ismail sat back and relaxed. Suddenly Ibrahim began to scream and shout, he had developed a cramp and was having difficulty keeping his head above water, he was drowning.

Ismail dived in after him, and brought him gently to shore. When Ibrahim recovered from the shock, he scratched a message on a nearby stone:

“Today, my best friend saved my life”

Ismail who had saved and slapped his best friend Ibrahim, asked him, “Why, after I hurt you, you wrote in the sand, and now, you wrote on a stone?”

Ibrahim, smiled and replied:

“When a friend hurts us, we should write his deeds in the sand, where the winds of forgiveness can blow it away.

And when a friend does something good, we should engrave it in stone, where it shall remain for eternity.”

Q&A

ACCEPTANCE OF DU'A
ON A WEDNESDAY

Q. Is the Hadith regarding acceptance of Du'a on a Wednesday between Zohr and Asr authentic? Is the speciality of time limited only to Masjidul Fath?

ANSWER

In the Name of Allah, the Most Gracious, Most Merciful.

A. The Hadith you are referring to is as follows:

Sayyiduna Jabir رضي الله عنه reports that: Rasulullah صلى الله عليه وسلم had made Du'a to Allah عز وجل in Masjidul Fath (in Madinah) on a Monday, a Tuesday and a Wednesday. His Du'a was accepted between Zuhr and 'Asr on the Wednesday.

Sayyiduna Jabir رضي الله عنه says: 'Whenever I had a need, I waited for that moment on a Wednesday and made Du'a. Every time I did so, I noticed my Du'a being accepted.' (Al-Adabul Mufrad of Imam Bukhari, Hadith: 725, Musnad Ahmad, vol.3 pg. 332)

The above Hadith is authentic and can be shared.

The specialty of the time is not only limited to Masjidul Fath, rather every Wednesday between Zuhr and Asr is a time when Duas are accepted..

And Allah عز وجل Knows Best.

PARTING THOUGHTS

ISRAF: EXTRAVAGANCE & WASTEFULNESS IN PERSPECTIVE – PART 4

In our previous three issues, we mentioned that *Israf* is one of the most overlooked yet dangerous spiritual diseases and can be described as: the tendency to live in excess, to be extravagant, to waste resources, and cross the limits set by Allah ﷻ. *Israf* not only applies to wastefulness in terms of money, but also applies to wasting food, clothing, time, water, and even how we use our emotions.

We mentioned that Allah ﷻ even warns against *Israf* in agriculture and daily consumption:

“And He it is Who produces gardens trellised and untrellised, date palms, crops of different shape and taste, olives, and pomegranates — similar and dissimilar. Eat of their fruit when they ripen, but pay their due (zakat) on the day of harvest, and waste not by extravagance. Verily, He likes not the wasteful.” (Quraan 6:141)

Think about how this applies today. Modern societies waste billions of tons of food every year, while millions go hungry. Our Prophet Muhammad ﷺ repeatedly emphasised moderation and warned the Ummah against extravagance in all forms:

1. Wastefulness in Water: *“Do not waste water, even if you perform ablution on the banks of a flowing river.”* (Ibn Majah)
Even abundant resources must not be wasted.

2. Moderation in Spending: *“The best of affairs are those that are moderate.”* (Musnad Ahmad)
Balance is the hallmark of Islamic living.

3. Extravagance Breeds Arrogance: *“Whoever has an atom’s weight of arrogance in his heart will not enter Paradise.”* (Muslim)
Often, *Israf* is not about needs but about showing off, which leads to pride and arrogance.

Scholars explain that extravagance dulls the heart, makes people forget the poor, and disconnects them from humility.

May Allah ﷻ, the All Knowing, alleviate the suffering of the oppressed, sick, poor and weak in *Shaam, Sudan* and every land. May Allah ﷻ bless you and yours *! أمين يا رب العالمين*
