WELCOME

From the desk of Purple Pages

Assalaamul'Alaykum Warahmatullahi Wabarakatuhu
Greetings & Peace be upon you

All Praises Truly Belongs to Allah ﷻ, The Provider, Sustainer and Nourisher of His creation. Peace and Salutations be conveyed upon our Beloved Messenger ﷺ, the Perfect Example and Absolute Inspiration.

Ahlan Wasahlan welcome to our *Muharram* 1448, June-July 2026 edition of Habibty Halaqah's Purple Pages eBrochure, an advertising brochure for our Habibty Entrepreneurs, their friends and families showcasing their products and services. We hope that you will find here a selection of whatever you need. *Swipe it, find it, buy it!* 😊

There are 12 months in the Islamic calendar, but we tend to know more about some months than others. *Muharram*, however, seems to be a bit less well-known. This sacred month is referred to in the *Hadith* as the month of ALLAH ﷻ.

The month of *Muharram* is steeped in both religious and historical significance for Muslims. Not only is it a month decreed by ALLAH as one of the four sacred months, it is also the first month of the Islamic calendar, marking the *hijrah* (emigration) of the Muslims to Madinah and the establishment of the first Islamic state.

"A man came to the Prophet ﷺ and said: 'Which fasting is better after the month of Ramadhaan?' He said: 'The month of ALLAH which is called Muharram.'" (Ibn Majah)

Abu Hurairah رضي الله عنه narrated that: ALLAH's Messenger ﷺ said: *"The most virtuous fasting after the month of Ramadan is that of Allah's month of Al-Muharram. And the most virtuous Salat after the obligatory is the night prayer(Tahajjud)."* (Tirmidhi)

"Whoever expands (his expenditure) on his family on the day of Ashura (10th Muharram), Allah will expand (his sustenance and mercy) on him for his entire year."

May Our Kind ALLAH bless you and us, in this new Islamic year 1448, in every aspect of our *rizq*, health, *deen*, *dunya* and *aakhirah*, آمين يا رب العالمين.

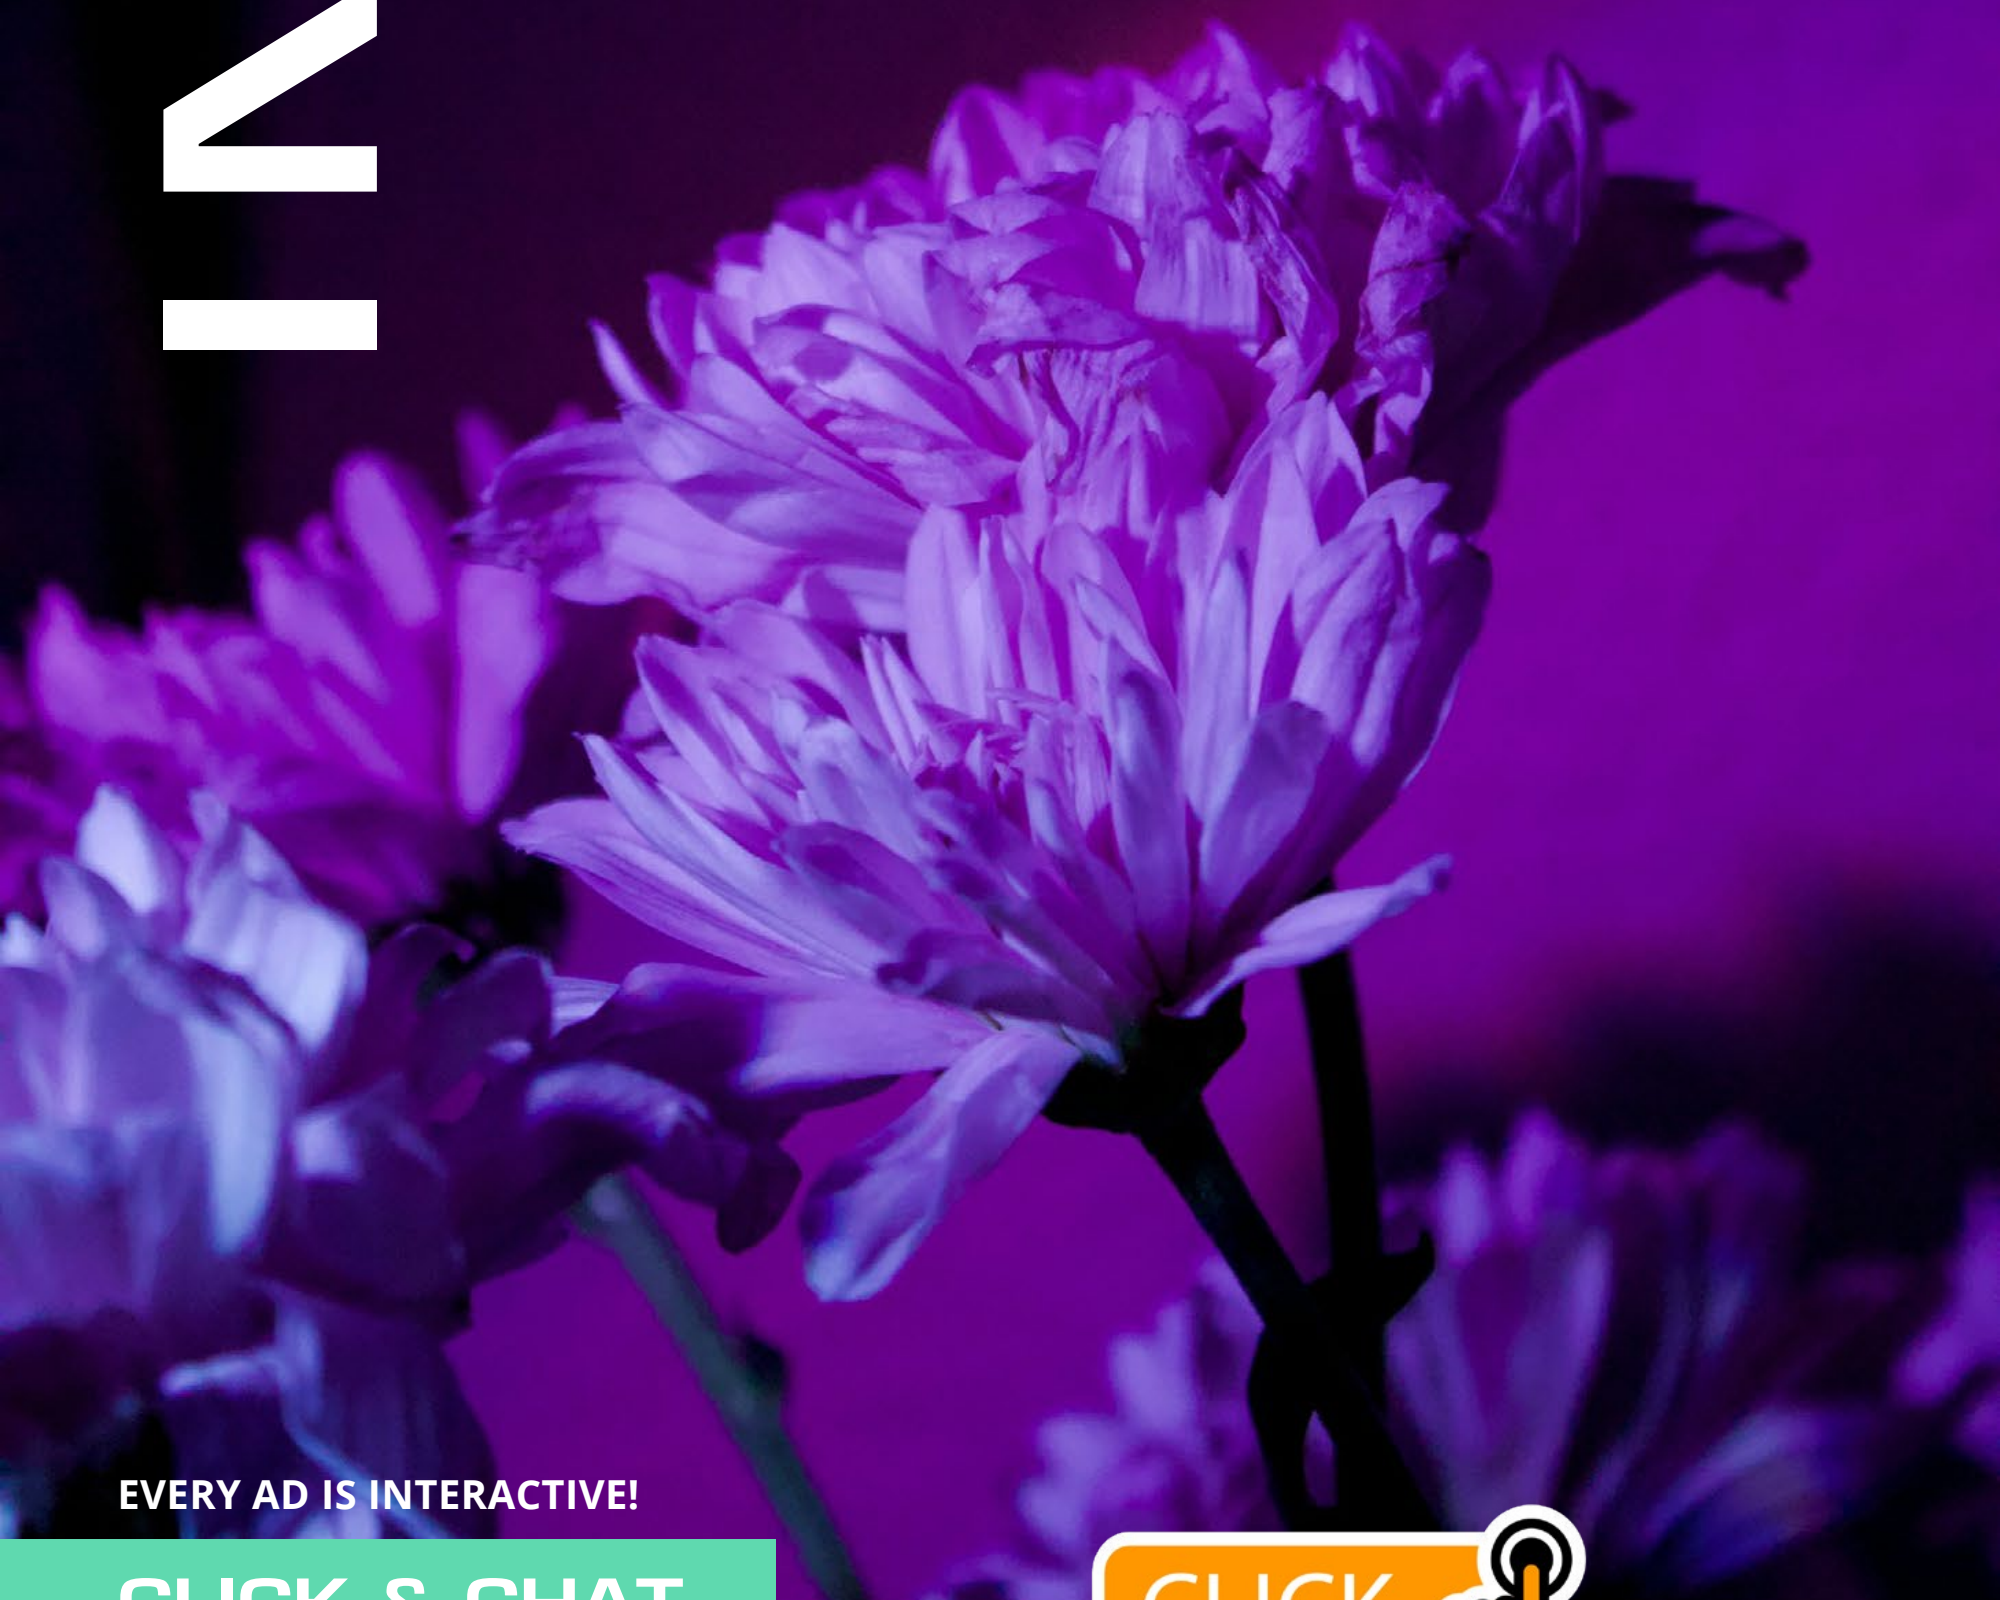

Let us spend happily in *sadaqah* on the less fortunate, the oppressed and needy. Keep creating awareness, boycotting, protesting and praying for Palestine and the oppressed throughout the world. We wait patiently for ALLAH's Help, assistance and victory, آمين يا رب العالمين.

Thank you for Shopping through Purple Pages.

Sponsor an Ad and HELP OTHERS Grow Their Businesses

Supporting local businesses is more than just an act of generosity; it is a way of strengthening our community. By sponsoring an advert, you give entrepreneurs the visibility they need to reach new customers, expand their services, and sustain their livelihoods. Your contribution becomes a ripple of growth that benefits families, neighbourhoods, and the wider society.

Every one of us will, at some point, face setbacks or hardships. From an Islamic perspective, helping others is not only a way to ease their burdens but also a means of strengthening our own worship and connection to Allah ﷻ. The Prophet Muhammad ﷺ said:

“The most beloved of people to Allah are those who are most beneficial to people.”

(al-Mu‘jam al-Awsat)

He ﷺ also taught:

“Whoever relieves a believer’s distress, Allah will relieve his distress on the Day of Judgment.” (Sahih Muslim)

These timeless reminders show that supporting others is a path to divine mercy.

It is in this spirit that we at Purple Pages have launched a small initiative. Imagine teaming up to assist someone else: perhaps a family member, friend, or community member who could use a boost in their business. You can sponsor their ad, and...

We will slash 20% off the Space cost and Ad Design cost!

Modern research echoes this timeless wisdom. A 2023 study published in *Frontiers in Psychology* found that acts of helping others not only improve the recipient’s well-being but also enhance the giver’s sense of purpose and community connection. In other words, when you lift someone up, you also grow.

Your sponsorship is not just an ad—it is an investment in dignity, opportunity, and shared prosperity. Together, we can create a culture where kindness fuels commerce and commerce strengthens kindness.

The Prophet of Mercy ﷺ taught us that true strength lies in supporting one another. When we extend our hand to others, we invite Allah’s Help into our own lives, creating bonds of compassion that uplift the entire community.

We help you, help others!

The Woodcutter and His Axe

Once upon a time, a strong woodcutter applied for a job with a timber merchant—and was hired. The pay was generous, and the working conditions excellent. Determined to prove himself, the woodcutter resolved to give his very best.

His boss handed him an axe and showed him the forest where he would work. On his first day, the woodcutter cut down 18 trees.

“Excellent!” the boss praised. *“Keep it up!”*

Encouraged, the woodcutter tried even harder the next day, but managed only 15 trees. On the third day, despite pushing himself more, he returned with just 10. Day after day, the number dwindled.

“I must be losing my strength,” he thought. Troubled, he went to his boss and apologised, unable to understand what was happening.

“When last did you sharpen your axe?” the boss asked.

“Sharpen? I had no time to sharpen my axe. I’ve been too busy cutting trees.”

Our lives are much the same. We often become so consumed by activity that we neglect to “sharpen” our axe. The strength of our Imaan depends on how much we nourish it with what feeds the soul. If we rush through life without pausing to remember Allah ﷻ, take out time to make Thikr, recite and listen to the Quran, or reflect on His signs all around, our Faith (Imaan) weakens, our hearts grow dull and our motivation to do any good weakens.

So take time each day to sharpen your soul—because without a sharp axe, even the strongest woodcutter cannot cut a single tree. And without a nourished heart, even the busiest believer cannot truly live.

Q&A

ASHURA SPENDING

Q. Is it necessary to purchase items on Ashura to attain reward mentioned in Hadith? In relation to the Hadith relating to spending on ones family on the day of Ashura, does one purchase on the day of Ashura itself or can one buy few days before due to work commitments, so he may give on the day?

ANSWER

In the Name of Allah, the Most Gracious, Most Merciful.

A. Rasulullah ﷺ said:

“Whoever expands his expenditure on his family on the day of Ashura, Allah ﷻ will inflate his sustenance for the rest of that year” (al-Bayhaqī)

The Fuqaha have stated expenditure is not restricted to only food, rather, one may purchase clothes or any other item and it to one’s family and dependents.

To attain the reward mentioned in the Hadith, it is not necessary

to actually purchase a brand new item on Ashura and gift it to one’s family. Rather, one may purchase items prior to Ashura and spend it on one’s family on Ashura.

Expenditure on one’s family may be done in one of two ways:

- 1) *Tamlik* (Transfer of ownership): refers to granting one’s family ownership of items. This can be achieved by giving items in their physical possession.
- 2) *Tamkin* (enablement): refers to enabling others to use and consume items freely. This is more applicable to consumables like food. By presenting food to one’s family and enabling them to consume.

Thus, as long as there was transferral of ownership of the items on Ashura or there was enablement, *Insha Allah*, you will be entitled to the reward mentioned in the Hadith. And Allah ﷻ Knows Best.

MUHARRAM - PROSPERITY THROUGHOUT THE ENTIRE YEAR

The 10th of Muharram (*Aashura*) is a significant day in Islamic History. The Messenger ﷺ used to Fast on this day and commanded the Sahabah ﺭﺯﯨﻪﻟﻠﻪﻩﻲﻭﺍﻟﻪﻳﻬﻰﺻﻠﻰﻭﺍﻟﻪﻳﻬﻰﺻﻠﻰ also to Fast.

Abu Qataadah ﺭﺯﯨﻪﻟﻠﻪﻩ said, *"I have strong hope that Allah ﺷﻬﯩﺪﻩ will forgive the previous year's sins for Fasting on the day of Aashura."*

The sins referred to here are minor sins. *Taubah* is required to secure forgiveness for major sins. The virtues of *Muharram* have been expounded in the *Ahaadith*. Among these, is the virtue of spending generously on one's family. The Messenger ﷺ said,

من وسع على عياله في يوم عاشوراء وسع الله عليه السنة كلها

"Allah will grant prosperity throughout the year to the person who spends freely on his family on the day of Aashura."

"Spending" in its literal sense is general and therefore this could be in cash or kind, food, drink or gifts.

Sufyan ibn Uyayna ﺭﺯﯨﻪﻟﻠﻪﻩ said,

"I have practiced this (spending on the family) for fifty or sixty years, and have found nothing but good in it." (Lata'if al-Ma'arif)

Accordingly, one should preferably spend more than normal by providing additional food and other items on this day as compared to other days. Feeding family, friends and the needy on this day will be rewarding and a means of earning divine favour and *Barakah*. This, however, should be additional and special than other days.

To maximize the blessings of this sacred month, combining financial generosity with other forms of worship is important:

- Fasting: Fasting on the *Day of Aashura* compensates for the minor sins of the past year. It is highly recommended to pair it with fasting on the 9th or 11th of Muharram.

- Increased Worship: If fasting is not possible, engaging in *Thikr* (remembrance of Allah ﺷﻬﯩﺪﻩ), reciting the Quran, and offering optional (*nafl*) prayers brings abundant rewards

May Allah ﺷﻬﯩﺪﻩ bring this year upon us with blessings, prosperity, security, Faith, safety in Islam, protection from *Shaytaan*, and His Pleasure. آمين يا رب العالمين !
